**202,644 Family Day Care Residences**

This new file features the names of those providers who operate day care facilities in their homes. Government regulations require that these residences be licensed. Each residence serves 3 to 10 infants and toddlers, to age 5 (80% to age 2) and can be more profitable than day care institutions due to low overhead costs. As part of their services, these day care residences provide meals, DVD/VCR equipment, toys (indoors and outdoors), and craft materials.

*Excellent* prospects for infant care disposables, baby food, videos, magazine subscriptions, family insurance, education materials, indoor/outdoor play equipment, and craft supplies.
