**15,537 Geologists & Geophysicists**

A newly compiled file of scientific specialists in various Geosciences. Included are Geotechnical Engineers, Geotechnicians, and others whose fields fall within the category.

These **Geologists and Geophysicists** are involved in teaching and research, and consult with business and government on matters of building and excavation. Another very important activity is the exploration for petroleum, natural gas, etc. - they are key players in the energy field.

Very good prospects for technically related equipment and publications, as well as all scientific offers.
