This constantly updated proprietary file has long been the largest list of its kind available, and also still offers the most detailed selection possibilities.

These *Interior Decorators, Designers & Architects* purchase much in the way of furniture, are *high volume* users of carpeting and other floor coverings, kitchen and bathroom fixtures, upholstery, wall coverings, drapery, lighting systems, and all the other components of the interiors they work on. They are also buyers of accessories, objets d'arte, bric-a-brac, etc. on behalf of their clients.

*Excellent* for offers such as building materials, furniture and carpeting, as well as Interior Design and Architectural publications. In addition, it should be noted that these trained, high-income individuals are prospects for any high-end offer targeted to up-scale, discriminating consumers.
