A *podiatrist* is a health professional who deals with the prevention, diagnosis, treatment and rehabilitation of medical and surgical conditions of the feet and lower limbs.

The conditions podiatrists treat include those resulting from bone and joint disorders such as arthritis and soft-tissue and muscular pathologies as well as neurological and circulatory diseases. Podiatrists are also able to diagnose and treat any complications of the above which affect the lower limb, including skin and nail disorders, corns, calluses and ingrown toenails. Foot injuries and infections gained through sport or other activities are also diagnosed and treated by podiatrists.

Excellent prospects for health & medical publications, continuing education, seminars, insurance, as well as gifts, books and high-end offers.
